Here's a story about the Phi Mu Frat, their spunky bunch as a matter of fact. To get to know them you will see just how fun Phi Mu can be.

Start with our Prez — Shawn’s her name found with Alex tossin’ her cookies at the football game . . . Next comes Kristin the Irish Queen, where’s our money? No where to see bee . . . Along comes Becky making her rounds on her balcony is where she’ll finally be found . . . There’s Octavie checking her mail looking for the French man is where she’ll sail . . . Say there is Andrea with a new Do today it’s green rather than blue . . . Janet our R.A. the house will play when in her green bomb she sails away . . . There is a Cat away from TKE for just one night, attacked by a psycho oh what a fright . . . Adrianna it’s 11:05 and all is well, your Tampa man sure scurried off in a spell . . . Chris our working girl raking in the cash, saving for the weekends to have a fruitful bash . . . Ginny our Sig Ep mama, going through another boyfriend trauma? Talley being a new member experienced an initiation that she’ll always remember . . . BethAnn looking oh so sweet is always waiting for a “BIG” new treat . . . There once was a girl named Tia whose boyfriend came down to see her when the wine bottles appeared we knew he was near for we could all hear . . . And then there is Karen, Excuse me Dr. Weiss, I seem to be having some circulatory problems . . . Sharon’s Park Ave. moves are now confined to RM. 102 — If only Pooh Bear could talk . . . Ingrid how about the night at the Executive Suite when you thought your freshman was oh so sweet, but who took off your stockings? Christine our resident preppy is always weighing the pros and “cons” . . . Along comes Lynn who started the year off with a young one, never let it be said she’s not a fun one . . . Carolyn can always be found working with the law one of the best you ever say . . . see Jane play, see Jane workout, see Jane be R.A., see Jane drink . . . Allison crusen in her new car making friends at the base and the bar . . . Bonnie our miss Rah-Rah at the game is dating a Greek and will never by the same . . . Tori’s boyfriends come by the numbers which one she’ll end up with is definitely a wonder . . . Kerry’s ways have certainly changed — from Phi Delt to her rooftop days . . . Randy has come a long way — her tastes have changed from soccer players to older ways. This raps up the Phi Mu Frat ’cause everyone knows that where it’s at! With special thanks to Freddy, Nonah and all Phi’s.
Hooker Hall is where the Chi Psi Fraternity resides so come through our front door and see what's inside! If you turn left "KINSKI" you will find if you don't watch out he'll get you from behind. If you turn right. Oh what a sight — it's Debbie mowing again tonight. Now Debbie's gone and "TAGGS" is on the prowl, he's hooked up with Kerrie who is not quite as fowl. 

Let's upstairs to our second story, don't open the door on the left or you will find something gory. His name is "POUNDER" and he gets no bacon but when he wants some action Link is awaited. Speaking "LINK" or "HAWKMAN", if you choose, instead of ball he has taken up booze. Across the hall "A-TRAIN" hides out, he packs a big load but it never gets out. and then one night he went across campus, he met CC and let out his dampness. 

Next on the list is number "44", its just a shame he can't score. He goes out every night in search of bacon, and when he comes back Jenn, the bubble butt, is awaited. Across the hall lives our "TEQUILA MASTER", he tried to score with Cha Cha but it was a disaster. Going down the hall we come to an empty pad. "PEANUTS" is gone and we are all glad (sorry Theresa). Next to nuts is our "REDNECK" who saw Dale one night and said what the heck. Then he found Cynthia, on what a babe, he took her to do laundry and how he is her slave. 

Next to Sneaker lives "BILLY V". he claims he is a stud, but pigs are all we see. And then one day he brought us a pig from his hometown, she gave us quite a show when Billy wasn't around. Across the hall lives "CORNBREAD" the spineless, he has no game and he has no wrap, and when he smiles you can see his big gap. 

Down from Cornbread "DOOBIE" hangs out, our biggest bogue without a doubt. Pizza crust from the garbage can is his favorite snow, he will go to any length to score some free chow. Beckit and Doobie, oh what a couple they make, a tennis ball head and fat dizzy flake. Next to Doobie is Lissa and "SHRED", we all listen while they are inn bed. She is so foul we could care less, but they make so much noise and such a mess. 

Across the hall lives 'sj' our leader, of whom we all hear from as the end draws nearer. Moving along we come to the "NAT" who loves fat women and that is that. Sprinter's fat and Shadon is smelly, and Natural's got a big fat belly. 

Across the hall lives a "09" who came to study but could not find the time. He goes to Croc in search of bacon, he talks to everyone but they are all taken. He gets blown off, and he gets abused, he is not happy until he gets used. He rooms with "DOUBLEDIV" who looks pretty rude, he got cut from baseball and has turned to food. And now there is the "ARCH" who gets no time, he came to play hoop but rides the pine. 

Let's move on up, to the third floor we have gotten, if you look you right you will smell something rotten. If you go in you will see foul bacon and all the things that "WEBHEAD" has taken. Across from Web resides our "POLLOCK" and "GINNIE", one's girlfriend is too fat and the other is too skinny. Next is "TWIG" whose bacon is loose, while she is at KA he spanks his goose. 

And then there is "JUGHEAD" whose jaw protrudes, he takes and tries to get huge. He has a wrap but it is very weak, it goes with his threads which are also shmek. Outside the house lives "NOBS" in McKean, whose foul bacon we have never see. Speaking of foulness we come to "STU" whose the present mascot of Phi Mu.
We do the dirty work!

And then there is "SJ" of which little has been said, and that is because no foul bacon has found his bed.

To all my "BROTHERS" I say to you, the year has been great, and that is true. I must state this at the end of our letter, "CHI PSI" is not arrogant we are just better.

Throughout this letter some people we did poke, but screw em all if they can't take a joke!

A special thanks to: All those who deserve it, it was appreciated.

Kappa Kappa Gamma, Delt Epsilon Chapter at Rollins College is the oldest Kappa Chapter in Florida, founded in 1932. Kappa,
being a national sorority, has well over 100 strong chapters in America and Canada, and more chapters being established
every year! Kappa is a diverse group of young women with the common interest in friendship, sharing and growing through
various activities. We are all involved on and off campus with academics, philanthropies, sports, and other clubs and social
functions. We strongly depend on our Kappa alumni sisters who help us with many of our yearly events. Maintaining high
standards in all areas is always a concern, and with much room to grow and share with others, Kappa is working hard to share
our talents and friendship with the campus and community.

After 60 years of Dames, Damages, Daytona, Drinking and strong academic commitment, the boys from old KAPPA ALPHA remain mansionless and determined to uphold the pride and leadership of the crimson and gold. We're diverse and strong. Long live Excelsior!

FRANK — "I only get it once a month" GREENE started out diving in the LAKE then he shot a few in HARPERS and went for a ride through the HILLS winding up in SUTTON Place, never taking his travels for GRANTED. Forever a Thetal MARC "Lenny" SHAPIRO — You shouldn't have let that FISH get away but keep wining and lining, you're bound to get a bite somewhere. We still think she's a PHI MIL.

DAVID "Grand Poo Ba" BOWSER was welcomed back after an intense year of study at the AMC Movie Theater on the Upper East side of Philadelphia. I CROSS my heart I slept in Miller's room.

JON — "I was out of town this weekend" HORNE spent most of his time eating ZUCHINI while itching the FLEA in his bed, we know his true love is the Grateful Dead.

CHAD — "I've never seen something so big" CHESHIRE. Either in the parking lot, the Porsche or at Park West the snake prevails. Chris. I thought we were going to Wendy's? ... I lied!

RANDY "King Douché" PERRY — While traveling around the PLANET, Randy has discovered that long distance relationships really do last. He drives around his 300ZX with WHITE LEATHER interior, listens to GOUDA tapes and screams, "IT'S MILLER TIME".

CHRIS "Fantastic Feats" ZIELINSKI hangs on the SANDY shores of Lake Virginia. Early in the morning Chris can be found BUCKING on the diving board which always gets a top NIELSEN rating. Later on, Zig can been seen Wind-DORKING on a BECKER board. But after a hard day, Zig turns in his Jams for a tomahawk and plays Tenn Little Indians with GOUDA intentions. However, Zig must always answer to the RAT and the power of Women's liberation.

MATT "Mad Rapist, Grandpa. ATT, 6 Year Man." Thank you, Sister Kate. If you don't like me it doesn't matter because I love myself. I have great times with me. Kid Cool, Pee Wee's (Ha Ha) Big Adventure with SPACEY, Peter Plastic, Our Gang, Poeming out. "Jimmy Buffet sucks Mills", Greeks are people too. Girls say: "Keep your tongue in your mouth", Harry historian, RAT PACK rules. Jokes over, good luck with reality." MILLER.

The sisters of the Gamma Gamma Chapter of Kappa Alpha Theta have had another world wind performance this year. Our leading roles in campus have been spotlighted in student government, student ambassadors, intermural, A.D.E.P.T., student hearing board, the writing center, A.C.T. Theata, PanHellenic and various other stages. Over the course of the year we have all had our encores as well as our curtain calls, but we still remain the closest knit and most outstanding cast on campus. The results from our academic awards are as follows:

BROOKE "Up In Smoke" DUFFY — candidates for best supporting actor: M.D., J.W., T.M., J.K., and the winner is J.D. For the scene of licking dove's teeth you win another unremembered night of doing upside down margarets.

ALLENE "Alien" MARTIN — She will be seen next starring in "Looking For Mr. Goodbar". By the way, what about that 2lc you owe us?

JANE "Splash" STRITZINGER — Will next be seen starring alongside Richard Simmons, but lets edit the violent drink throwing scene.

NANETTE "Lost In Space" WRIGHT — Was thrown off the set of Snow White for daring too many of the dwarfs.

BEV "Sybil" BUCK — The reviewed are good from down under. Do they pack their tuna in spring water?

Next a double feature with STEPHANIE "French Connection" MARROCCO and SUSAN "Irreconcilable Differences" PRITCHARD — co-starring in the "Munchkins Take Theta" followed by the "The Demolition Derby".

LEE "Beach Blanket Bingo" SAULFY — Did you steal the stage for love or just to get your name inn the Book?

AMY "about Last Night" TEETS — The parts we remember about the movie ... the candles, the younger men and those long luscious nails.

BARB "The Sure Thing" WARD — Is now holding auditions for next weeks supporting actor. Please form line behind casting couch.

LIN "The Color Purple" TYLER — It's true, it's true! It's always been "love at first bite".

KELLY "Star of Candid Camera" MEADE — From the "Elephant Man" to "Tiny Tim", the "Rose" will always win.

HILLARY "Portrait of an Unmarried Woman" WARD — Since snobs and chemicals don't mix, she's searching for another co-star for "9 1/2 Weeks" — Z. Sneak previews viewed form "The Boys Next Door" directed by the Puerto Rican on the roof. Walt Disney Productions present BETH "Ordinary People" LONG (Rate G). Do the credits include Mr. Wonderful? (If he smokes a pipe.)

We give tribute to our understudies and their support roles.

SUE "Psycho" BASTA — Will there be a sequel?

WENDY "The Breakfast Club" BROWN — For her outstanding timing in "The Two Faces of Eve".

Tau Kappa Epsilon

1986/1987 will be a year that many of us will never forget. Many of us had moved in a week before school had even started, but after Terry Young raged through the house and locked all the doors, we kind of got the feeling that we weren't supposed to be there. The social life within Rollins Hall was never dull, especially with our Second Floor Parties, the Fall Cocktail, Snow, and Swamp. Those parties were undoubtedly the best "closed" parties of the year, yet it seems that our good friend, Roz didn't agree.

What's our working balance? What's the damage assessment? Where's my Mr. Boo? Where's the beer? And here's a few works about a few choice people . . . George "heading for the Mountains" but stopped by a dead man . . . When in depression, without a doubt, we all turn to Craig for uplifting thoughts . . . Bazil, the little thief of Rollins Hall, while out on patrol was struck . . . Mike, who is rarely seen without his shot glass or bottle . . . Dave P., a true descendant of the Adams family . . . Kevin, you're going to wear that green bag out soon . . . Pedro, our "responsible" midget who though Thanksgiving was on Saturday . . . Goodrich still doesn't know where the G-spot is . . . Phil is working hard at his campaign for being president next year . . . Marcus "It's better to look good than to feel good" . . . Dean, where have you been? . . . J.R. beat out C.J. . . . Jim B., two seconds behind the wheel and one Chevron sign down . . . From room 201 we have the grandmaster bacon manipulator and his partner in crime . . . Dave B. "I've got the car, now who can drive?" . . . Tom and Oliver, where there is an easy buck to be made, you'll find our German dynamic duo . . . When it comes to six, Costas does all he can do, just remember girls, don't let him behind you . . . You never see Randi with girls at all cause he's got something better, vaseline and his soccer ball . . . the loft in Tom's room is under quite a strain, ever since he met his new girlfriend Loraine . . . Jim L. and his monkeys make quite a combo, but everyone runs for cover when he becomes Mr. Distructa . . . From room 201 we have the grandmaster bacon manipulator and his partner in crime . . . and of course Bacon Baker the potato hater who's latest girlfriend is from behind enemy lines . . .

The year has been fantastic and the little sisters have had a great deal to do with this. A special thanks to Cathy, Lynn, Annette, Caren, Karen, Julie, Kathy, Ann, Suzy, Sara, Elizabeth, Sharon, Emily, Sandra, Amy, Patty, and Loraine McDonnell.
Since the formation of NCM in 1970, Rollins has offered an alternative sorority lifestyle in the Greek system. We offer a more informal atmosphere because we are not a national sorority. This makes room for more individualism among our members. We do, however, function like national sororities in some ways: We are a member of the Panhellenic Council, participate in formal rush, occupy prime housing, hold weekly meetings, involved in many philanthropic projects, as well as throw our traditional parties! We stress "quality," not "quantity" making each member realize the importance of contribution to our organization. We feel NCM provides the true friendship and togetherness the Greek system strives to achieve.

Brushing

"Brushing" is Rollins Literary Magazine. Since they are a fine literary magazine, they chose not to have a picture but to have just a right up. The Brushing publishes poetry, prose, artwork and photography submitted by students and faculty. The editors are Richard S. Conger, Robert X. Johnson and Pamela Kincheloe.
ECO — This group plans a number of projects, experiments, presentations, and discussions to raise environmental awareness with the Rollins and local community.
This is a group of upperclassmen and new students who have a special interest in the arts, theatre, poetry and writing. The Fine Arts House members produce shows, host receptions, and present events of an artistic nature (such as weekend in the arts) for the Campus Community.

The Rollins Players were formed to recognize members of "Company-at-large" who have distinguished themselves to provide a source of workers and performers for the theatre and thereby provide a scholarship to a worthy member of the company.
Jewish Student League.

The JSL attempts to provide various cultural and educational activities for the Rollins Community. They celebrate Israel’s Independence, Holocaust Remembrance Week and provide cultural films and Bagel brunches.

Philosophy and Religion

The Philosophy and Religion Club was organized to provide an opportunity for persons interested in those subjects to participate in the extracurricular activities. The club sponsors speakers and discussions.
The Economics Club offers an opportunity for economic majors as well as non-economic majors to gain outside classroom exposure to different types of businesses and other economic related topics. The club seeks to heighten each member's awareness and sensitivity of the present and future corporate environment.

The Economics Club sponsors tours of local corporations, invites distinguished businessmen to speak and hosts faculty debates on tax reforms to unemployment. This year we were fortunate to be able to tour the Philip Crosby Center and the Metropolitan Life Southern Division, Corporate Headquarters in Tampa, as well as listen to Philip Crosby and a representative of AT&T speak.

The student Center Board takes on as its task a great deal of the programming that happens on campus. From concerts and dances, to comedy shows, lectures, homecoming, and Spring fling, the SCB tries to provide entertainment to suit all tastes. Ronnie Clark, President of the revamped SCB and his fellow officers Cindy Erhardt (VP), Tori Bonelli (treas), and Cindy Starsmeare (Sec) are assisted by a group of students who compromise 'The Board'. With the help of veteran members like Jen, Ross and Leah, bigger and better programs have been promoted on campus this year. Co-sponsorships between organizations have become the rule, enabling the SCB to bring in better known acts and lectures, and getting more people involved campus wide. Anyone interested in becoming part of the SCB contact the officers or Diane Whaley, Adviser to the SCR.
The O-Team is a group of upperclassmen which help the incoming freshmen adjust to college life. They also help the class meet each other and unite through games.

The Student Ambassadors guide the prospective students around school and help familiarize them with the campus and the student life.
The ACT is made up of upperclassmen majoring in as many as 15 different areas of study. They assist faculty advisors during orientation and work to help freshmen enter the Rollins academic community.

The BSU tries to establish a channel through which black students can express themselves to the benefit of the community. The organization plans activities during the year which emphasize the cultural achievements of blacks.
The Student Senate is the legislative body elected by the Student Association, which is composed of all enrolled students. The Senators are elected by their respective classes. The students are given a voice in college decisions which affect their welfare through their senators.

WPRK-FM is the campus Radio Station, broadcasting from noon until 11:00 p.m. at 91.5 FM. Through this station, classical and contemporary rock music, news, sports, and educational programs are broadcast to the campus and the Central Florida community. Students are encouraged to participate in announcing, programming or any other area of interest. For more information contact the Station Manager or stop by the radio station.

Chapel Choir

The Chapel Choir has long been one of the leading choral groups in Central Florida and fulfills a function most unusual in an American college. In addition to the Sunday morning chapel services and the Annual Christmas Vespers, its performances of major choral masterpieces are a prominent feature of the popular Music in the Chapel concert series. Since 1976 the choir has undertaken four European tours and has performed extensively in Florida and beyond.

The members of the choir are drawn not only from the student body but from alumni, faculty and singers from the community who are attracted by its dedication to presenting only music of the highest quality.

PINEHURST

Pinehurst originally opened in 1886 as a women's dormitory. Since then it has been the library, a chemistry lab, post office, and the President's home. The house has been moved back 20 feet which will allow for the original wrap around porches. Next year the opening will make Pinehurst the oldest and newest building on campus.
